85 ways to tie a tie

Published: September 3, 2026 | Index ID: #-

Introduction

When it comes to dressing up for a job interview, a wedding, or a casual night out, the tie is often the finishing touch that can elevate your entire look. While many people are comfortable with a standard Four in Hand or Windsor knot, there are countless ways to tie a tie that can express personality, suit a particular occasion, or simply add a touch of flair. In this guide, we explore **85 ways to tie a tie**, ranging from classic, time tested knots to creative, seasonal, and even functional variations. Whether you're a seasoned professional who wants to impress with a new look or a beginner eager to master the art of the necktie, this comprehensive list will give you the tools you need to experiment, learn, and ultimately find the knot that best reflects your style.

Our approach is structured around categories that reflect the knot's purpose, complexity, and style. Each knot is described in a concise, easy to follow manner so you can try them out right away. We've also sprinkled in a few tips on choosing the right knot for different fabrics, collar types, and occasions. So grab your tie, roll up your sleeves, and let's dive into the world of tie knots.

Classic and Traditional Knots (20)

These knots have stood the test of time and remain staples in both business and formal settings. They're reliable, elegant, and easy to master with a bit of practice.

- Four in Hand Knot – The go to knot for everyday wear, it's quick to tie and works well with most collar types.
- Half Windsor Knot – Slightly more symmetrical than the Four in Hand, this knot offers a polished look suitable for most business settings.
- Full Windsor Knot – Known for its wide, triangular shape, it's ideal for spread collars and formal occasions.
- Bow Tie Knot – A classic choice for tuxedos, the bow tie delivers a sophisticated, timeless appearance.
- Pratt Knot – Also called the Shelby knot, it's a neat, medium sized knot that's a great alternative to the Windsor.
- Nicky Knot – A subtle, narrow knot that pairs well with a slim tie and a narrow collar.
- Windsor Half Knot – A half Windsor with a twist for a slightly more dramatic look.
- Double Windsor Knot – An extended version of the Full Windsor, offering a double layer for extra width.
- V Knot – A modern, asymmetrical knot that adds a touch of edge to your ensemble.
- Inverted Windsor Knot – A variation of the Windsor that flips the knot to create a unique silhouette.
- Double Pratt Knot – A double layer of the Pratt, giving a fuller appearance.
- Four in Hand with a Twist – A subtle twist in the classic Four in Hand for a slightly refined look.
- Half Windsor with a Twist – Adds a small twist to the standard Half Windsor for a subtle flair.
- Full Windsor with a Twist – A twist variant of the Full Windsor, giving it a unique, contemporary edge.
- Double Four in Hand – A double layer of the Four in Hand, creating a thicker knot that stands out.
- Double Pratt with a Twist – Combines a double Pratt with a twist for an eye catching effect.
- Half Windsor with a Bow – Adds a bow element to the Half Windsor for a playful twist.
- Full Windsor with a Bow – A full Windsor knot that incorporates a bow for a dramatic flair.
- Pratt with a Bow – The Pratt knot enhanced with a bow for a unique, stylish look.
- Four in Hand with a Bow – The classic Four in Hand combined with a bow for a subtle, elegant touch.

Quick & Easy Knots (10)

When time is limited or you're on the go, these knots are your best friends. They're straightforward to tie and look sharp, making them perfect for last minute preparations.

- Simple Four in Hand – The most basic version of the Four in Hand, tying in under a minute.
- Quick Pratt – A fast Pratt knot that takes just a few seconds to complete.
- Speed Windsor – A streamlined Windsor that's easier to tie than the standard version.
- One Touch Knot – Tied with a single motion, this knot is ideal for those who need speed.
- Quick Double Knot – A double knot that's still quick to tie but offers a fuller appearance.
- Rapid Half Windsor – A faster version of the Half Windsor, suitable for tight schedules.
- Speedy Inverted Windsor – A quick variant of the Inverted Windsor that still looks polished.
- One Step Windsor – A single step approach to tying a Windsor knot.
- Quick Double Pratt – A double Pratt that's fast to tie, giving a richer look.
- Speedy V Knot – A quick V Knot that adds an asymmetrical touch in moments.

Elegant & Sophisticated Knots (15)

For formal events, board meetings, or any occasion that calls for a touch of refinement, these knots bring elegance and sophistication to your attire.

- Classic Windsor – The quintessential formal knot, offering a balanced, symmetrical shape.
- Full Windsor – The most formal of all, delivering a wide, triangular silhouette.
- Double Windsor – A double layered Windsor for a dramatic, statement making look.
- Full Pratt – A full Pratt knot that's elegant and works well with wide collars.
- Double Pratt – A double Pratt that adds depth and sophistication to any outfit.
- Full Inverted Windsor – An inverted version of the Windsor for a unique, refined appearance.
