The Origin of Hello Mrs Piggle Wiggle

The phrase first appeared in the 1980s as part of a children's television program that featured a quirky character named Mrs. Piggle Wiggle. The show, produced by a small independent studio, centered on the adventures of a whimsical woman who solved everyday problems with her unique "wiggle" solutions. The character's name, a playful mash up of "piggle" (a made up word implying a playful tickle) and "wiggle," was designed to be memorable and easy for young viewers to repeat.

Early Broadcasts and Reception
